

## Go Fish Dolch Word Cards

Print Slides 2 – 28 on thick paper or cardstock two times for 2 sets of words to match.

Slide 29 may be printed only once as the words are on there twice. 😊

### ❖ Go Fish:

The object is to collect pairs of the same DOLCH WORD in order to discard all of the cards in your hand.

### ❖ Playing the Game:

- To play the game, all cards in the deck are shuffled.
- Each player is dealt 5 cards and there is a “draw” pile. Players take turns.
- The 1<sup>st</sup> player says “(Mom, Dad, person’s name) do you have DOLCH WORD?” The person asked hands over the match or says, “Go Fish!”
- If the 1<sup>st</sup> player receives a match, he or she places the matching cards face up on the table and then gets another turn.
- If instructed to “Go Fish,” the 1<sup>st</sup> player draws from the pile. If he then has a match, he places the matching cards face up on the table and then gets another turn. If the player does not draw a match, he keeps the card in his hand,
- To win the game, the player must “go out” by laying down all their cards in matching pairs.

\*\*I also have the kids spell the Dolch words. This allows the adult to be sure they are reading it correctly and reinforces the word knowledge as its being spelled.

Have fun playing Go Fish!
